MEMORANDUM FOR: Acting Chief, DCI History Staff

THROUGH: Executive Secretary, O/DDCI

FROM: [redacted] CRD/OIS

SUBJECT: Letter of Appreciation - [redacted]
[redacted]

1. In December 1979 I joined the Classification Review Division, OIS/DDA, which was co-located with the History Staff in Key Building. The Classification Review Division did not have accommodations for me and the History Staff personnel were most gracious in letting me occupy one of their offices until February 1981.

2. I wish to express my sincere appreciation and thanks to [redacted] for their patience and indulgence in working around me while doing research in their files. Additionally, I must mention the courteous and efficient manner that my telephone messages were handled by [redacted]. It gave me great pleasure to have been a welcome tenant in such a professional and friendly atmosphere.
